Upcoming Events

made with love

This year we will be holding our annual Artisan Fair on October 11. This corresponds with NY Path Through History and is a perfect opportunity to showcase our local artisan crafters. Vendors who would like to participate will have their choice of exhibiting either on the Green at the Farmers Market during an extended day (9am-4pm) or at the Charles English Museum during the Path Through History hours (9am-2pm). Vendors can also opt to exhibit at both locations. We are looking for talented and dedicated crafters who will show off the best the area has to offer.

Anyone who is interested should contact Sue Symonette at WFMOntheGreen@gmail.com or 607-427-4769 for more information.

Fundraising and Community Support

The vendors and manager of The Windsor Farmers Market believe in supporting any community focused effort we can. Whether you need to do fundraising for a family in need, your school, scouts or a community-benefitting project, or if you have information or education that can help community members, we are happy to provide a place for you to do your fundraising or distribute your information. Please contact Sue at 607-427-4769 or at WFMOntheGreen@gmail.com for more information.

Shop for a tote

Windsor Farmers Market is giving away tote bags to our faithful customers. Stop by any vendor and pick up your punch card to shop the market and shop your way to a Windsor Farmers Market tote bag. These bags are made from reclaimed cotton from clothing factories and a portion of our purchase price went to efforts to help the environment. All you have to do is make purchases totaling \$50 (\$5 increments per "punch"). It can be 10 \$5 purchases, 5 \$10 purchases, etc.
